KIRYOWA GABRIEL

ICT Support Officer | Diploma in Information Systems and Technology

0777 871 206 | kiryowagabriel0@gmail.com | Garuga, Entebbe, Uganda | Ugandan

PROFESSIONAL PROFILE

ICT Support Officer with nearly three years of hands-on experience at Nkumba University's Directorate of Postgraduate Studies, and a Diploma in Information Systems and Technology (2026). Skilled in end-user support, hardware and software troubleshooting, records and data management, and coordinating online conferences, meetings and seminars. Dependable, quick to learn and able to work with minimal supervision. Seeking an ICT support or systems role where I can apply my technical and organisational skills and keep growing.

WORK EXPERIENCE

IT / ICT Support Officer | Directorate of Postgraduate Studies, Nkumba University
January 2024 – November 2026

DUTIES AND RESPONSIBILITIES

- Provide day-to-day ICT support to staff and postgraduate students by diagnosing and resolving hardware, software and connectivity problems.
- Maintain and service office computers, printers and related equipment to support reliable daily operations.
- Plan and set up online conferences, meetings and seminars; conduct technical checks and support participants during live sessions.
- Enter, verify and maintain student and administrative data in electronic and physical records.
- Prepare reports and maintain ICT and administrative documentation for the Director and the Postgraduate Office.
- Guide colleagues in using Microsoft Office applications and university systems.

ACHIEVEMENTS

- Provided ICT support across the Directorate for the period January 2024 to November 2026 (nearly three years).
- Supported the preparation and technical running of online conferences, meetings and seminars, including pre-session checks and live troubleshooting of over 3 conferences.
- Contributed to the accuracy and organisation of postgraduate and administrative records through data entry and verification from 2024 to 2026.
- Helped maintain the availability of office computers and printers through routine servicing, Windows installation and troubleshooting in the Nkumba computer laboratory.
- Organised around 60 Viva Voce defences for PhD students of Nkumba University from 2024 to 2026, leading the technical team for both physical and online sessions.
- Designed graphics for the Postgraduate Office, handling digital posters and banners throughout the period of service from 2024 to 2026.
- Coordinated over 10 monthly seminars for PhD students as the technical team lead, including installation of software used to analyse research data (SPSS).
- Organised, wrote and delivered over 500 soft-copy and hard-copy letters to external and internal examiners for PhD and Master's students.

EDUCATION

- Diploma in Information Systems and Technology, Nkumba University, 2026
- Uganda Advanced Certificate of Education (UACE), St Joseph High School Namagunga, 2021
- Uganda Certificate of Education (UCE), St Joseph High School Namagunga, 2019

TECHNICAL SKILLS

- Support and troubleshooting: Windows installation and configuration, hardware repair, software installation, printer and peripheral support, help-desk and end-user assistance
- Office and productivity: Microsoft Word, Excel, PowerPoint
- Virtual events: Online meeting and webinar platforms (e.g. Zoom, Microsoft Teams, Google Meet)
- Databases and data: Database management fundamentals, data entry, records management, report preparation
- Networking: Networking fundamentals, LAN and Wi-Fi connectivity troubleshooting

PROFESSIONAL STRENGTHS

- Clear communicator who explains technical issues in simple terms
- Strong problem-solving, time management and organisational skills
- Honest, responsible and reliable; works well independently and in a team
- Eager to learn and adapt to new technologies
